

My

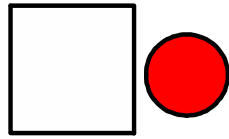

Favourite

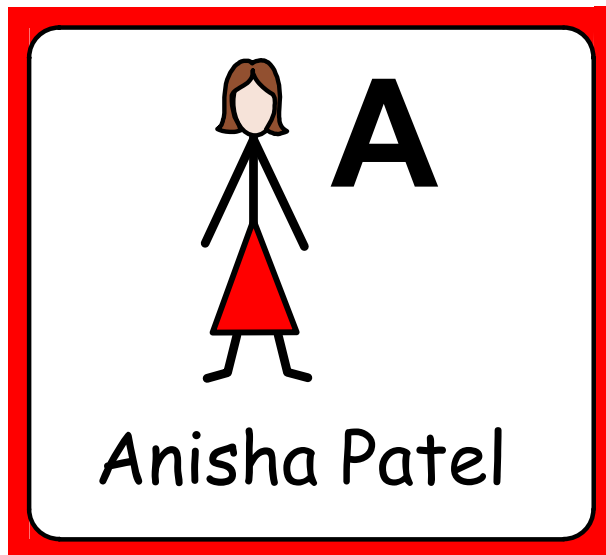

Party

Written

by

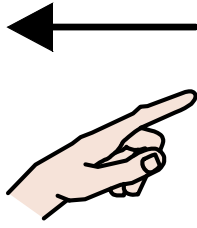

Last week

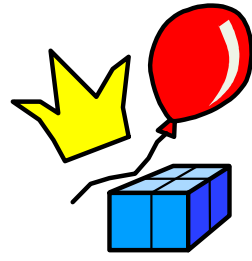

I

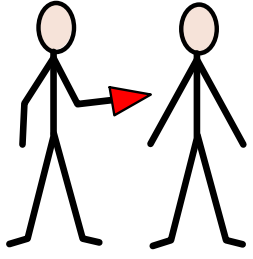

went to

a

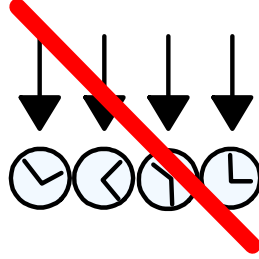

party.

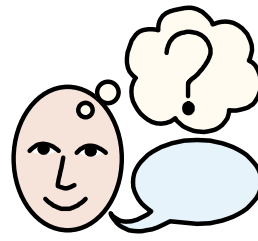

You

will

never

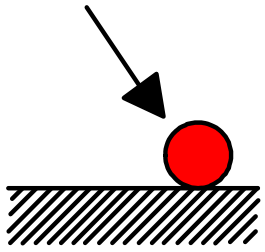

guess

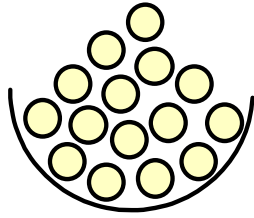

what

happened!.

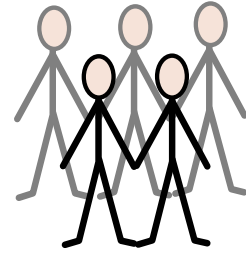

There

were

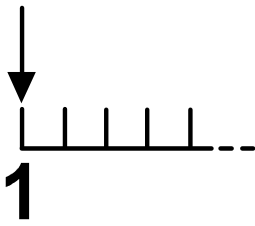

lots

of

people

there.

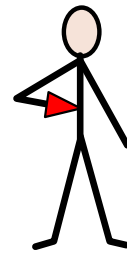

The

first

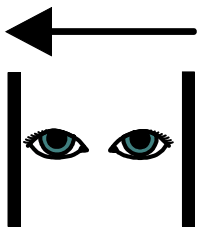

person

that

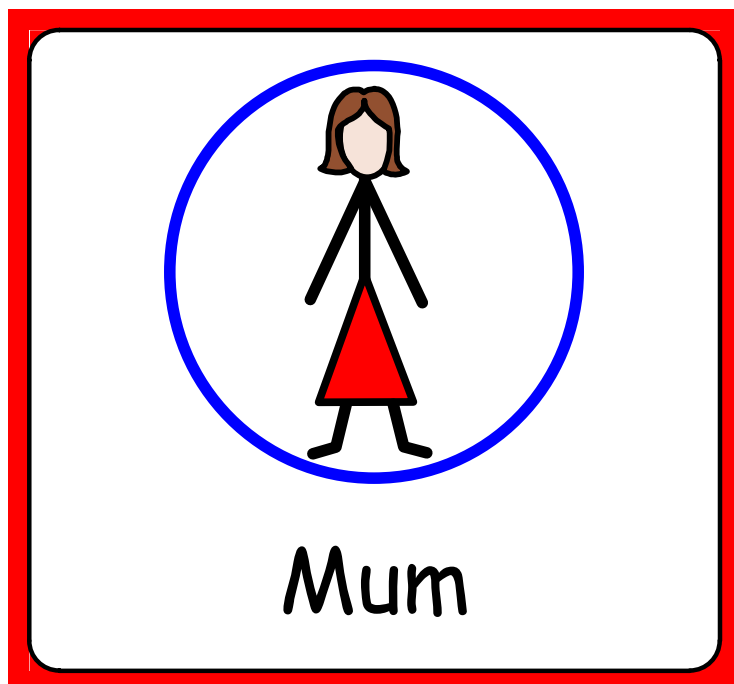

I

saw

was

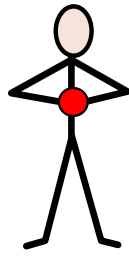

Mum

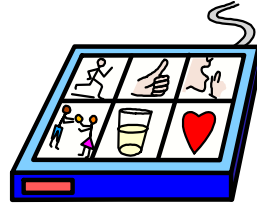

I

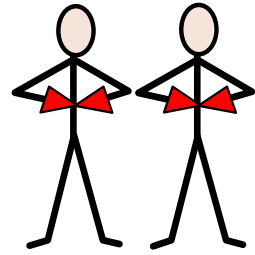

used

my

Dynavox.

We

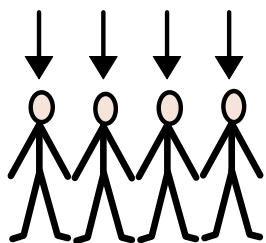

chatted

about

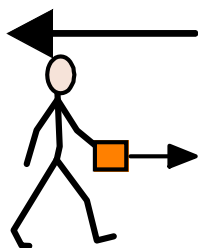

my new outfit

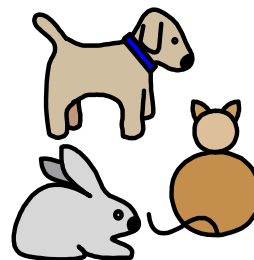

Everyone

had

taken

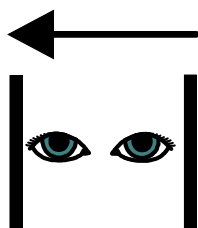

their

pets.

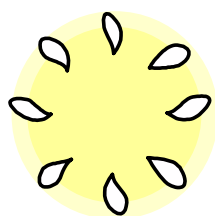

I

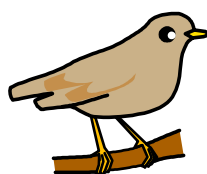

saw

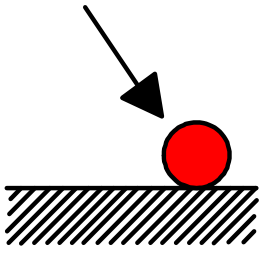

a

pretty

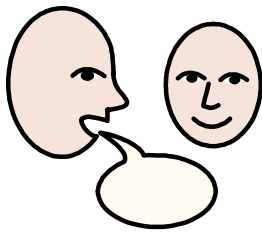

bird

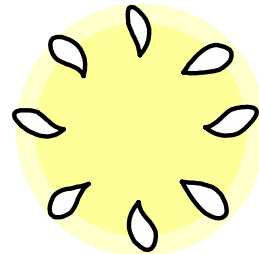

There was even a parrot that

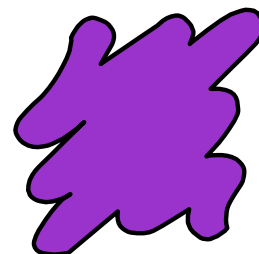

talked.

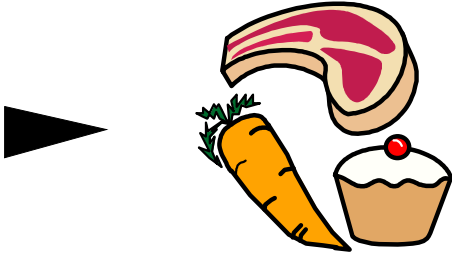

It said

Pretty

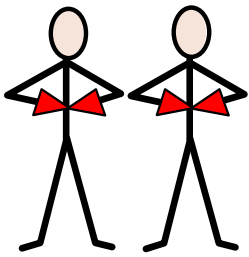

Purple

The food was

good .

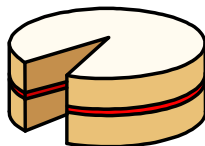

We had

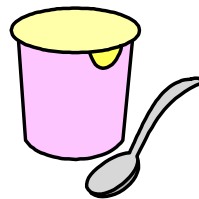

egg

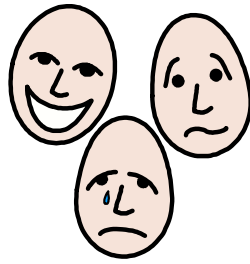

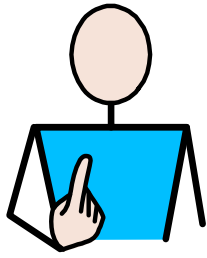

sandwich

cake

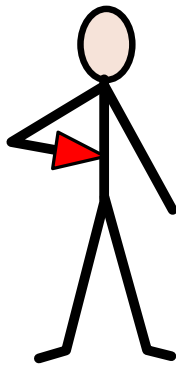

yoghurt

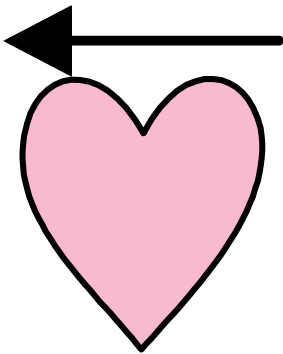

It made me feel

good!

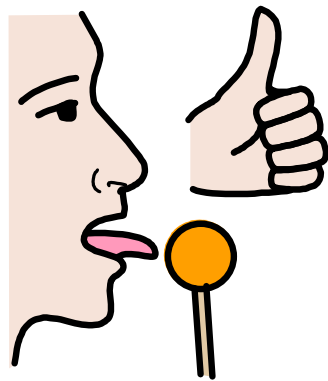

I

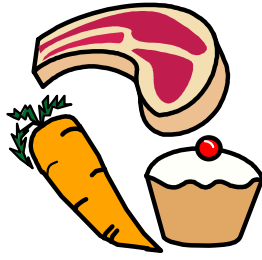

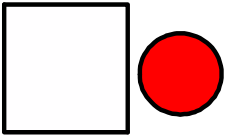

liked

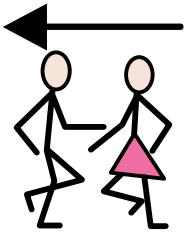

it.

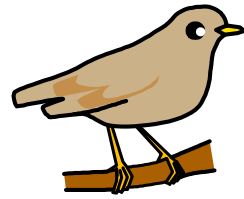

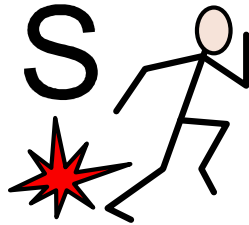

Yummy .

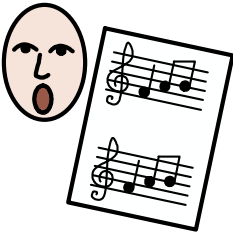

After the food everybody

-

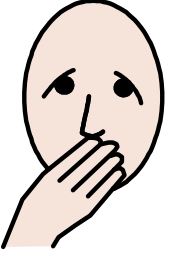

danced - Superman, the Birdie

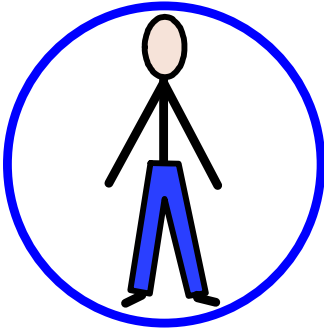

Song and the Hokey Cokey

Then.

Oh no!

Dad

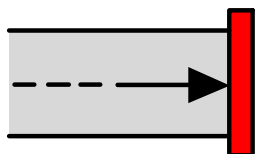

went

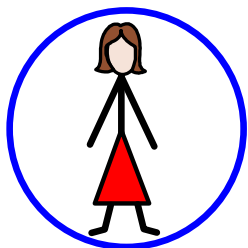

sleep.

But it turned out well in the

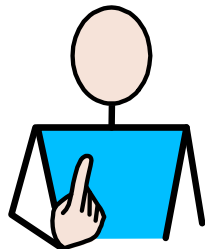

end because

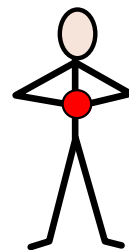

Mum

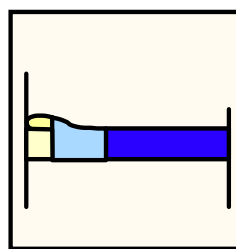

helped

me

go my

bedroom.
