Last week

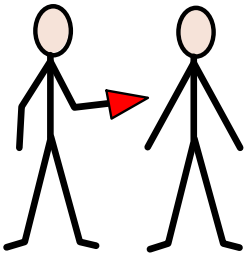

I

went to

a

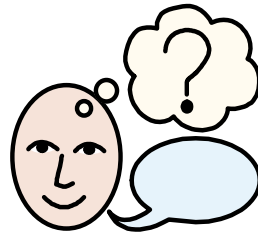

party.

You

will

never

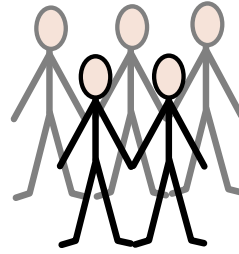

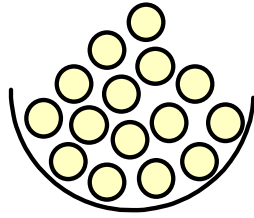

guess

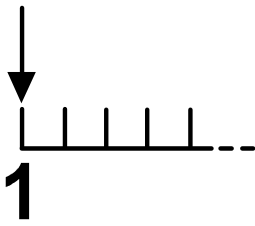

what

happened!

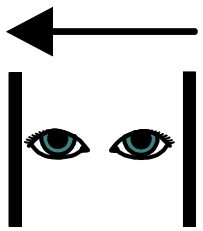

There were lots of people

there.

The first person that I

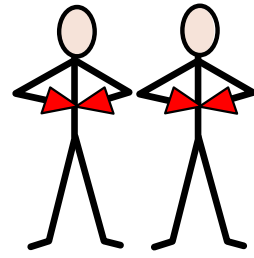

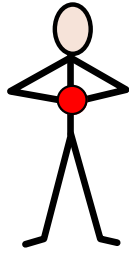

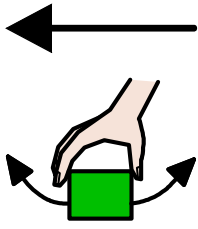

saw

was

my sister Dolly

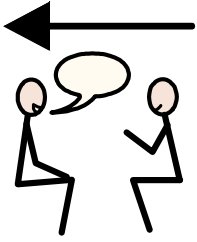

I

used

my

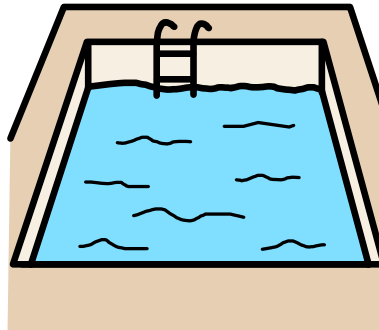

Dynavox.

We

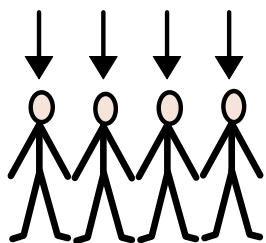

chatted

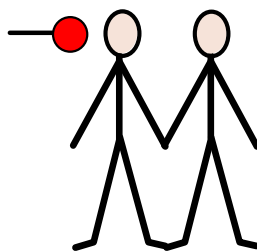

about

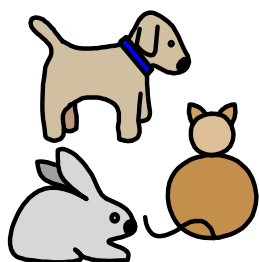

the swimming pool

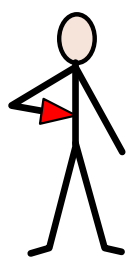

Everyone had taken

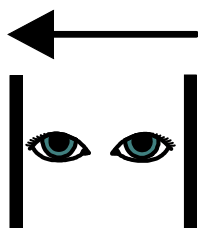

their

pets.

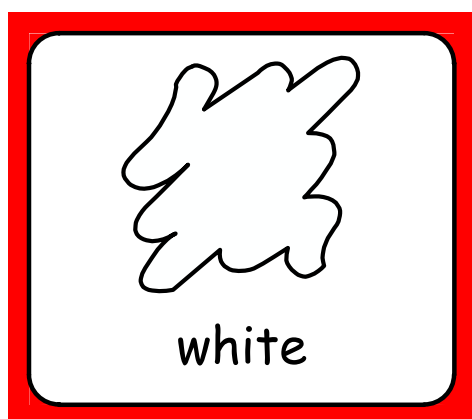

I

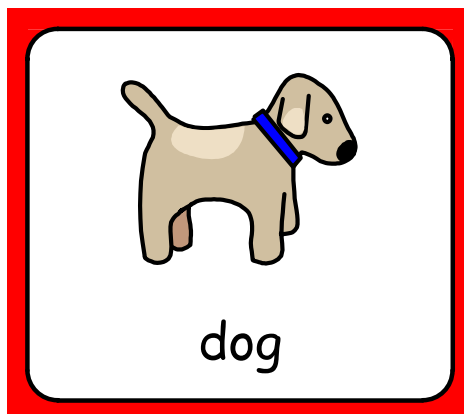

saw

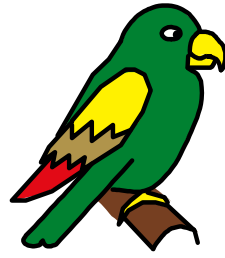

a

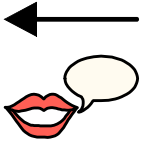

white

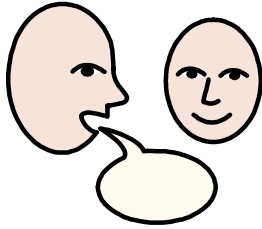

dog

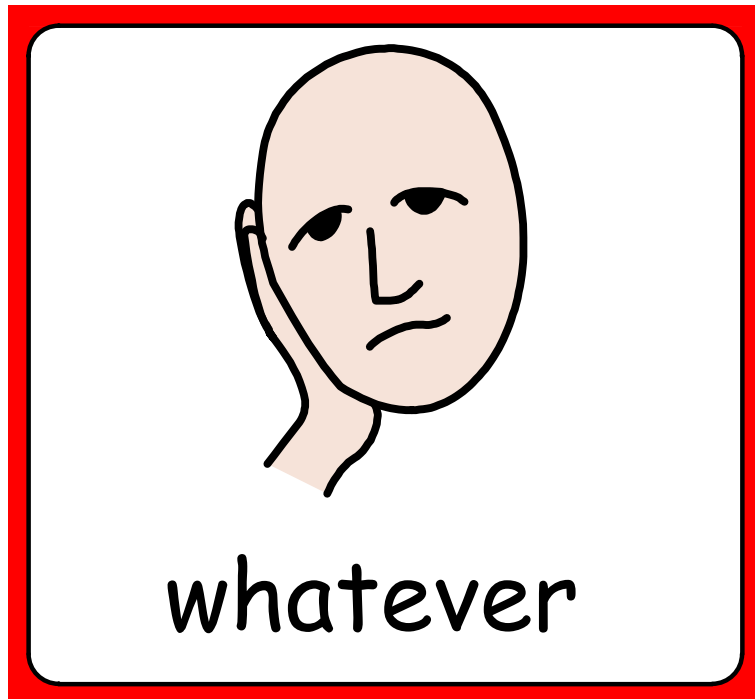

There was even a parrot that

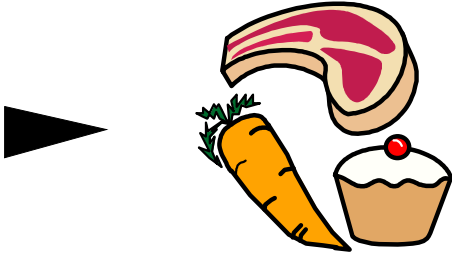

talked.

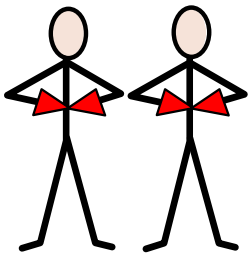

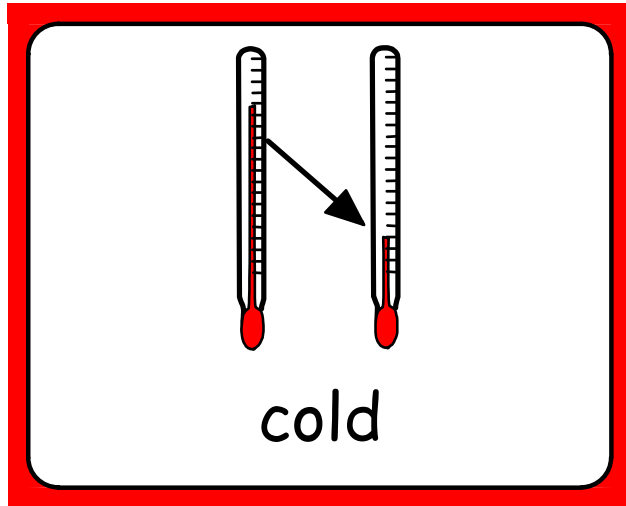

It said

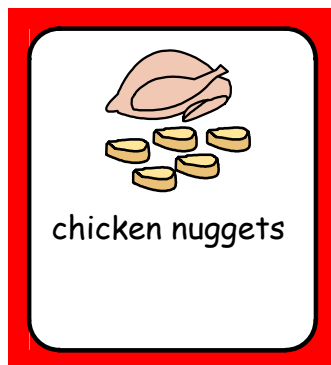

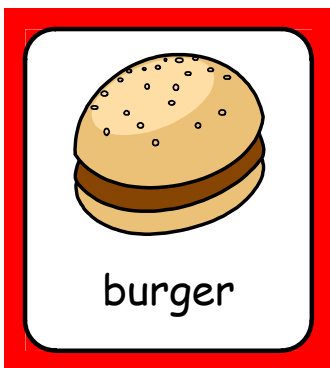

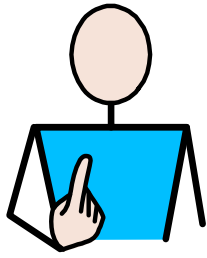

The food was

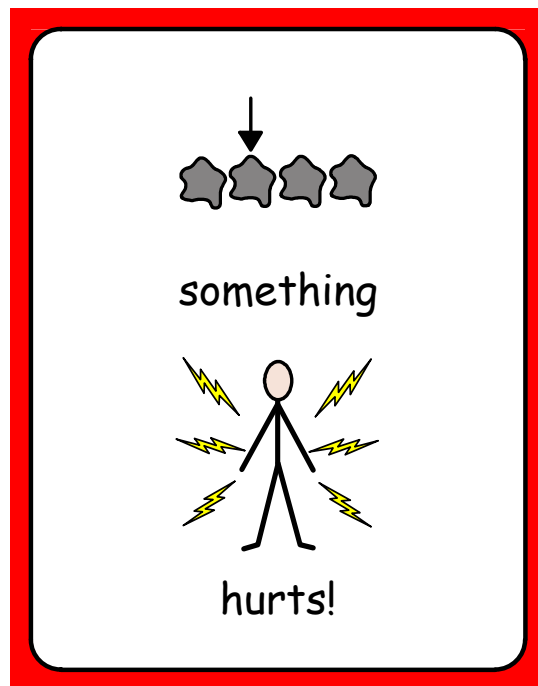

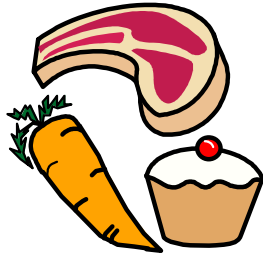

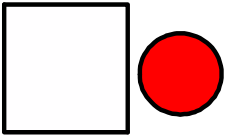

We had

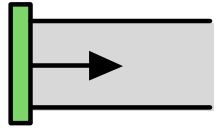

It made me feel

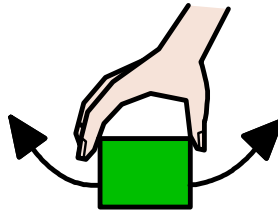

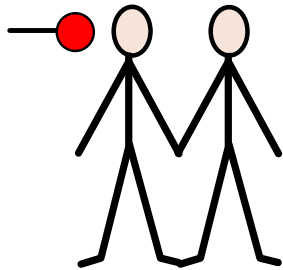

After the food everybody

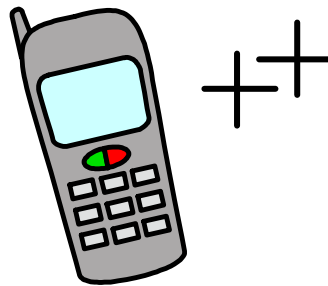

started

using

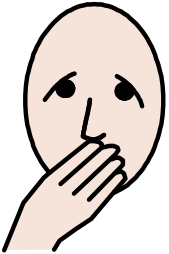

their

phones

Then.

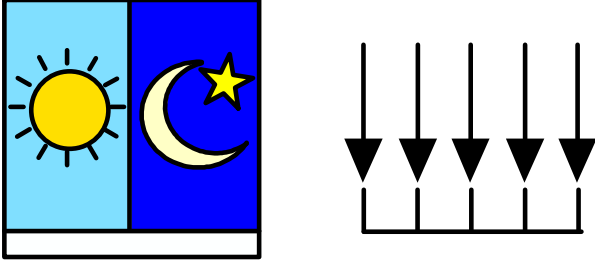

Oh no!

A red-bordered box containing a sequence of words and illustrations. At the top, the word "the" is followed by a black right-pointing arrow. Below this, the word "policeman" is written, with a stick figure and a blue police helmet to its right. At the bottom, the word "came" is written, with a black left-pointing arrow above it and a hand pointing to the left below it.

the policeman

came

And said

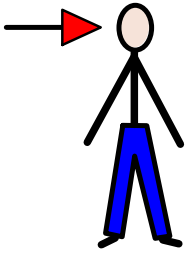

Evening all!

What's going on here

then?

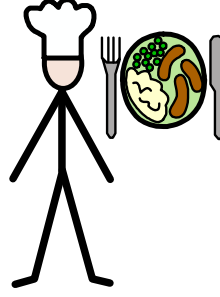

He

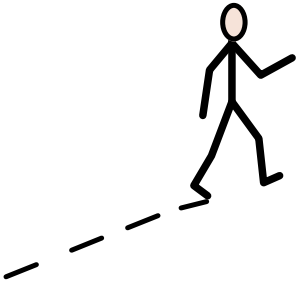

took

the

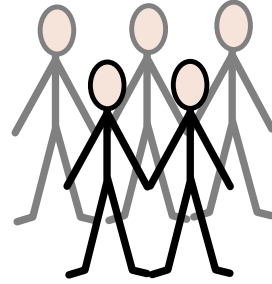

cook

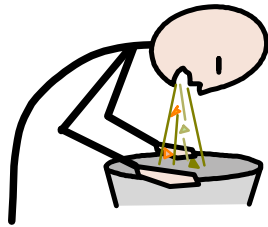

away

for

making

people

feel

sick.
